## HollyFrontier Corporation Provides Update on Woods Cross Refinery Crude Unit

DALLAS--(BUSINESS WIRE)--HollyFrontier Corporation (NYSE: HFC) (“HollyFrontier”) announced that its subsidiary’s Woods Cross refinery located in West Bountiful, Utah is running at reduced rates due to a crude unit fire that occurred on March 12, 2018. There were no reported injuries as a result of the fire; however, the refinery’s ability to receive crude oil deliveries has been affected.

HollyFrontier is in the process of determining the scope of the damage resulting from the fire, the extent to which it will affect or delay crude oil deliveries and the steps necessary to repair the damage. At this time, HollyFrontier does not anticipate the event having any material impact to its first quarter consolidated crude throughput guidance.
